

Venue:

Runder Vortragssaal
im Gästehaus "Otto Mayer"
der Deutschen Universität für
Verwaltungswissenschaften Speyer
Otto-Mayer-Straße 16
67346 Speyer

If you travel by car

- Leave the motorway A 61 at "Autobahnkreuz Speyer" (Speyer junction) to join the Bundesstraße 9 (Federal Main Road No. 9) towards Speyer.
- Take exit "Speyer/Verwaltungshochschule" towards Speyer
- At the first traffic light turn right into the "Freiherr-vom-Stein" street. Here you will find the University's main entrance and a parking site.
- If you drive straight on and turn to the right into "Otto-Mayer" street you will arrive in appr. 200 meters at another parking site. Turn right after the bus stop, on the right hand side. If you drive on for some 300 meters till the end of the street you will arrive at the university guest house parking site.

If you travel by train

- From Mannheim main station (ICE inter-city terminal) there is a direct train connection to Speyer every half an hour during the day (Line S3 or S4). Journey time is about 30 minutes. You can have a look at the schedule of the German Railways (www.diebahn.de).
- The University is about 2 km from Speyer railway station. We would recommend that you ride either by taxi or by bus. The bus, No. 561, departing every 30 minutes from bus stop "Bahnhof" (railway station) at platform 1, travels some 15 minutes to the bus stop "Verwaltungshochschule" (University) in front of the University's main entrance in the Freiherr-vom-Stein street.
- The city map of Speyer can be found at <http://www.speyer.de/de/service/wegweiser>.

If you travel by plane

- The closest major airport is in Frankfurt/Main. It has an ICE train station. You can reach Speyer easily by train to ICE main station Mannheim (appr. 30 minutes) where you have to change to a regional fast train (see travelling by train).
